

### REMARKS

In the Communications mailed April 19 and June 24, 2010, the Examiner required a formal set of claims to replace the claims filed May 30, 2007. Applicants have amended the claims in order to correct the claim numbering of the May 30, 2007 Amendment, which was incorrect due to a typographical error. No new matter has been added.

The Examiner required that Applicants formally file a Corrected Oath or Declaration replacing the one filed April 2, 2002 to add the signatures and dates of all inventors. Attached is a copy of the Declaration and Power of Attorney filed on April 2, 2002. Applicants note that the required inventor signatures and dates can be found on pages 2, 5, 8, and 12 of the attached document.

In view of the above, Applicants respectfully request that the requirement for a new Oath or Declaration be withdrawn and that the subject application proceed to issuance.

Please grant any extensions of time required to enter this response and charge any additional required fees to Deposit Account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
